DIEBOLD OPTEVA[®] 500e

LOBBY CASH DISPENSER

High performance cash-dispensing solutions with express processing and delivery

Express – Engineered with Diebold’s most sought after features, the Opteva[®] 500e comes equipped and ready to ship. Express processing and swift turnaround puts Opteva power in your hands faster than ever.

Easy – By integrating the most widely used elements of Opteva cash dispenser into the 500e, decisions are simplified and ordering is quick and easy.

Everlasting – Opteva technology delivers one of the highest levels of uptime in the industry and the Opteva 500e is no exception. Backed by an award-winning service organization, technical solutions are always close at hand.

Effective – Cost-effective and durable, the Opteva 500e offers an extended life cycle. With the smallest footprint in the Opteva family, this front-load cash dispenser is a powerhouse making it especially effective in lobby and off-premises retail locations.

Everything – Streamlined, models include all the value you’ve come to expect with Opteva. From enhanced security features to Diebold’s best-in-class Advanced Function Dispenser, you can rely on the value and enjoy the simplicity.

DIEBOLD[®]
